Welcome to the 2026 City of Peterborough Sports Club Beer Festival, taking place between the 26th to 28th June.

Our wonderful grounds will again host this amazing annual event in conjunction with a whole weekend festival of sport, music, food, real ale, and charity fundraising.

This is my third Beer Festival as the Club Manager, but the very first leading the organisation of the weekend. Thank you to Gareth Andrew for taking the lead for the past two years.

As I mentioned above, this year we have built the Beer Festival into a weekend Summer Festival. We have many events across all the club sections this weekend culminating in a community day on the Sunday which includes 20+ stalls, kids entertainment, and Cambridgeshire Fire & Rescue.

Working with our friends at Xtreme Ales we have brought together a fabulous variety of reals ales, ciders and stouts from across the country, including a number of locally sourced options. With 20 barrels of different types, strengths and flavours there is plenty to try. A very big thank you to all the individuals and businesses that have sponsored a barrel, to Dickie Bird at CAMRA for his advice and to the section leads for setting up all the sports activities.

We have food wagons Friday / Saturday evenings and a club run BBQ all day Saturday and Sunday.

We have a truly special line up of music this weekend with amazing local bands (Division, Rob Bull, Cosmic Rodney, Parmy Ukulele) and very special guests all the way form Leicester, the EAGA Gospel Choir of BBC and Britain's Got Talent fame. Should be a weekend to remember.

Don't forget it's the men's World Cup on our big screen in the marquee with England vs Panama on Saturday night.

Have an amazing weekend, enjoy the variety of beer, music, the various sports and time with family and friends.
